Miss Chapman | Third Grade | Painted Rock Academy

Next Week

Math

For Saxon Math, we will have a review on Monday and a test on Tuesday. The rest of the week we will learn about triangles, measuring mass, and how to multiple a two digit number by a two digit number.

PRACTICE MATH FACTS AT HOME!

Reading

We will continue reading the story "Kids Did It!". This is a story about various kid entrepreneurs and the successful business they have created. We will continue working on our summarizing skills. We will work on creating our own "businesses". We will have time in class to share what our own business ideas are. The test will be on Thursday. Please review the study guide before the test.

We will focus on functional texts for our AZ Merit reading. Our in class story will be about "Making Snowflakes". Our homework story will be reading a letter.

Please be sure to look over homework at home. Homework is graded for accuracy and having parents check the homework before it is turned in can boost up scores.

Biography book reports are due on February 25th.

Our class Valentines Party will be on Friday February 14th. This is a half day of school. Students are able to bring in Valentines to share with their classmates. You DO NOT need to bring in a shoe box to collect the Valentines in. We will make containers in class for them. More information about the party will come home soon.

Please send your child to school with a water bottle and a jacket/sweater.

Please send in BOX TOPS! The box top collection will be on Friday.

Social Studies

For social studies we will start a new unit about Geography. We will learn about various landforms. We will also learn about longitude and latitude. Please check the homework on Tuesday and Thursday.

Language

We will start a new unit on nouns. We will learn how nouns are a person, place, thing or idea.

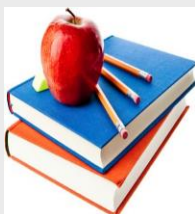

Writing

We will read a letter to convince others. We will learn the parts of a letter and how to state our opinion in letter.

Spalding/Spelling

We will be on list #19. We will review all of the Spalding rules and the parts of speech. We will focus on the suffixes -ance and -ary. We will also work on quoting cite references in our writing work.

**THE PINK
REGISTRATION
FORMS ARE DUE
FEBRUARY 4th.**

If your child is sick PLEASE do not send them to school. Many children are sick this time of the year and sending them to school sick puts the entire class at risk of getting sick.

Thank you to all of the parents who have been helping me grade. Your hard work is truly appreciated.
