Miss Chapman | Third Grade | Painted Rock Academy

Next Week

Math

We will be doing Saxon math lessons 11-15. We will be reviewing how to add two digit numbers using mental computation. We will be learning how to read a chart, writing money amounts, estimating the sum of two numbers, measuring and naming line segments, and how to identify horizontal and vertical lines. There will be both written and fact math homework every night this week.

Reading

We will start learning all about POETRY. In class we will read "The Cat Who Became a Poet". We will about the structure of poetry, the language of poetry, point of view within poetry, and different kinds of poems. We will continue with our AZ Merit test preparation this week. There will be in class assignments and homework assignments to help us prepare. The homework will go home on Tuesday and will be due on Friday.

Parents should be checking homework and signing agendas EVERY night!

Send your children to school with water please!
