

ROOM 131 NEWSLETTER

Miss Chapman | Third Grade | Painted Rock Academy

Next Week Math

We will be doing Saxon math lessons 18-20. We will be learning how to estimate and measure length using feet, how to make a circle, how to create a line plot, how to identify the range and mode of a set of data, and how to draw a circle using a math compass. There will be math homework every night. On Thursday we will review what we have learned in math so far throughout the year. There will be a math test on Friday.

Reading

We will continue reading the drama "Damion and Pythias". The test over the story will be on Friday. We will work on analyzing the literature that we have read so far this school year. We will learn how to properly compare and contrast all elements of fictions, poetry, and dramas.

Spelling

This week we will be working on list 4 of our spelling words.

Book Report

The narrative book report is due on September 26th 2019. The students have seen an example of what the book report should look like. Any questions about the book report should be asked in **advance**.

Poems will be recited on September 19th! If students recite early they will receive a prize!

Math Facts

Students should have their addition and subtraction math facts memorized. If you want me to send home extra practice for math facts with your child please let me know. I also suggest practicing with math fact flashcards! (*Dollar Tree has fact flashcards*)

Reading homework goes home every Tuesday and I will not collect it until Friday! I highly suggest working on it throughout the week and NOT waiting until the last night.

Bring water to school!

Social Studies

We will begin our new Social Studies unit. We will learn what a community is and how communities are different. On Friday, we will practice our map skills and learn about compasses on a map.

Language

We will continue our unit on prepositions. We will be reviewing all about prepositions throughout the week. Students do not have to memorize the prepositions list for the final test.

Writing

We will work on the organization of our writing. We will make sure that our writing is in the correct order. We will practice sequencing events and using time order words.

Spalding

We will be reviewing Spalding rules 2, 4, 5, 6, 11, 12, 14, 18, 19, 20, 24, and 29. We will learn about the suffixes -ous and -y. We will learn about possessive nouns and demonstrative pronouns.

Website

Grades can be checked online. Please see the email from the school about the details of how to log in and check grades.

Reminders

1. Agendas needs to be signed nightly and homework needs to be checked.
2. Going to Opportunity Club 3 times or not having a signature in the agenda 3 times in ONE WEEK will result in an after school detention.
3. All late work will begin grading at 65%

Quizzes/Tests

Wednesday	Spelling Pretest #4
Thursday	70 Phonogram Test
Friday	Language/Math Quiz #5 **
	Spelling Test #4
	Reading Test
	Math Test

**Questions for this quiz are taken off of the morning seat work packets that your children work on every morning. The answers to this packet are reviewed daily. Students can take home this packet on Thursday.

Have a nice weekend!
