

# ROOM 131 NEWSLETTER

Miss Chapman | Third Grade | Painted Rock Academy

## What will we be doing this week?

- WELCOME!
- Get To Know You Games
- Assigning Class Books
- Collecting and Organizing Supplies
- Fire Drill Practice
- Anti-Bullying Presentation
- Learning Classroom Rules and Procedure
- Learning ALL About Third Grade

## Welcome Back!

It was great to meet many of you at the Meet the Teacher event. I am really looking forward to a great year working with both parents and students.

## Water

Please remember to send your child to school with a water bottle every day. Please have your child's name on the water bottle. It is VERY warm outside and hydration is important.

## Weekly Newsletter

I will be sending home a weekly newsletter similar to this one each week. I will do my best to get this newsletter to you on Friday with information about the upcoming week. I will send the weekly newsletter home via email and it will be posted on our classroom website. If you would like a copy of the newsletter printed, instead of emailed, please let me know.

## What will we be doing this week?

### Writing

This week in writing we will be writing a paragraph all about ourselves! Students will have the option to share their writing.

### Math

In math this week we will be reviewing how to write the date three different ways, how to write a fraction, and how to make and read a pictograph.

## Parent Volunteers

Thank you to the parents who signed up to volunteer. I appreciate the help in and out of the classroom. Starting next week I will send home papers to grade. I will send home the papers in a folder with detailed instructions.

**Have a great week and SEE YOU ON THURSDAY!**
