Dismissal

March 16-20

Spring Break-No School

March 24

2 or more books due for country report

March 26

Poem Due

March 30-April 1

AZMerit State Test

Important Information

AZMerit Testing: Students will take this test on March 30, March 31, and April 1. Please make sure your child is on time, well-rested, and ready for the tests. They may bring a healthy snack on those days because we will take a short break between tests. They should also bring a few books they would like to read once they are finished with the test. Here is a link so they can take a practice test at home: <https://azm2portal.org/sample-tests.shtml> At school, students will take a paper test instead of on the computer.

Country Report: Students need to find 2 or more books and bring them to class by March 24. The books should be written for children (not adults) and have information about the country's culture, history, and geography. We will be doing a majority of this report in class, so students will need to have 2 or more books to bring into class.

Class Book: If you didn't order a copy of the class book the students created, you can still order a copy online by going to Studenttreasures.com/ordercopies and use the order code: 7532876
