PBS Educational Program

Arizona PBS is broadcasting educational shows from the state's preschool through 12th grade students while schools are closed. Arizona PBS is a free local channel. The broadcasting will comply with state educational standards. PreK to third grade will be broadcasted from 5am to 6:30am on Arizona PBS and from 6:30 through the rest of the day on PBS Kids. Fourth to eighth grade will be broadcasted from 6:30am to noon on Arizona PBS.

Painted Rock Website Resources

Painted Rocks Homework Helper Page has many valuable resources from math, language, science and social studies.

<https://paintedrockacademy.com/parents/student-resources/homework-helpers/>

Painted Rocks Phonogram Helper Page has all of the Spalding Phonograms listed with explanations of pronunciation.

<https://paintedrockacademy.com/parents/student-resources/phonogram-helper/>

Spalding Resources

The Spalding phonogram app can be a great source for students to practice phonograms.

Spalding.org is the site for Spalding. I encourage the purchase of their \$2.99 App for practicing phonograms

Brainpop

Ms. Alfieri, the computers teacher, set up a Brainpop account for PRA. This site has many educational and fun videos for different subjects. Our third grade class is called "PRA Third Grade". To access our class site please go to BrainPOP. At the top of the site click on "enter code". Enter our class code **want4489**. Create a student account. Explore and have fun!

Frindle by Andrew Clements

This time in the school year third grade typically reads the book Frindle. If you would like to read this book with your child for their daily reading assignment there are different ways you can access the book. On YouTube you can find the book Frindle read aloud through the channel

“Story time with Miss Jeannie”. You can also access a PDF of the book on mrpstjude.weebly.com. Frindle is available for purchase on Amazon for \$7.
